

# Tanglewood Tales

**Tanglewood Townhouse Association**  
3 Monroe Parkway, PMB 156, Lake Oswego, OR 97035

**Spring 2021**

## Welcome New Neighbors

### **Darcy Paquette, 19 Bloch Terrace**

I moved to Bloch Terrace August 2019 after 32 years in West Linn. I love the community and woodsy setting of Mt. Park. I'm a realtor with Keller Williams Realty Portland Premiere (office is near Bridgeport). My son, 24, lives in North Portland with friends and goes to graduate school (Lewis & Clark). Have 2 indoor kitties named Koko & Kia.

### **Leo Nelson and Jen Peterson, 35 Bloch Terrace**

Greetings from Jen, Leo, and Nora (Eleanor) at 35 Bloch Terrace. We moved to Oregon in August from Minneapolis. We are enjoying the beautiful spring weather, which would not have graced us with its presence until April or May in Minnesota. Leo is an air traffic controller at the Portland International Airport and Jen works for the ACLU from home as well as runs her handmade jewelry business. Eleanor is in the first grade online this year and loves baking, playing Pokémon, all the neighborhood dogs, and taking trips to the beach. We are very happy to be here and are enjoying this welcoming neighborhood.

### **Janet Strader, 6 Britten Court**

I am a household of one. Two grown children, one in Portland and the other in Nashville. I am a realtor with Windermere Realty Trust, for about 9 years.

I did not specifically choose the neighborhood; the house chose me! I was looking for something small and easy care. #6 just felt comfy, quiet, and safe, and I could re-do things to make it mine.

I love football, especially Duck football and tailgating but will watch almost any game, college or pro. I love to cook and entertain, organize social gatherings and am a wine enthusiast. I enjoy walking, being outdoors, golf and skiing. Most of all I love spending time with my family and friends.

### **Margaret Simonson-Kowitz; Frank Schmidt, 21 Britten Court**

We met in College at the University of Puget Sound and have been together for the last 9 years. Margaret is originally from NE Portland (attended Grant High School) and Frank is from Agoura Hills just outside LA.

We both work in the Mortgage Industry; Margaret as a Loan Processor and Frank works in our Secondary Department. We both started with our company 5 years ago after we both graduated from college. We used to live at One Jefferson and have loved the Mt Park area since we moved in!

### **Cindy Bennett, 27 Bloch Terrace**

I have lived in LO 35 years. First time I am on the north side of the lake. I am a physical therapist who took a break during Covid but will be returning to work in the next month or two. I am single with 2 adult kids and a 2-year-old grandson who is awaiting a little brother later this month. Gardening and hiking are two of my passions. Everyone has been so kind and welcoming, looking forward to meeting you all!

## Annual Meeting in May

Our Annual Meeting is May 26 and will again be held virtually. An annual meeting packet will be mailed to each homeowner approximately 40 days prior to the meeting. A quorum is always needed. So please open the packet and caste your ballot at your earliest convenience!
