Happy New Year!

Classic Oregon raindrops, beautiful winter sunny (yes, cold) days, snow, ice – do hope you enjoyed the holidays and are safely coping with the 21st century weather swings.

With fingers crossed, here's hoping utility services continue uninterrupted during the dicey weather. As most of you know, PGE has been upgrading its utilities in the area. The present agenda includes transformer replacement behind 15 Bloch Terrace (with accessibility affecting additional properties). The Board is actively in communication with PGE and has been assured by PGE that it will inform individual homeowners and the Association of the work schedule, giving everyone adequate notice.

2016 will bring changes for all of us in the Association. This May three Board members will be completing their terms. So let's look forward to the fresh outlook that will come from the new Board members. We are a small association of 38 residences and are dependent on everyone's participation to run smoothly. Please consider stepping forward and offering to serve on the Board for 2016-18. Members work together as a group, helping each other in various "skill sets" as required, and thus keep the load light for all. Attached are descriptions of the positions – nothing too onerous – you might find yourself enjoying participating!

The annual TTA Board meeting will be held Thursday, May 19, 7 PM – more about that later.

Also, take a look at the current roster (enclosed). Perhaps new neighbors you haven't yet met? Perhaps reconnect with? As you might notice, we are an assortment of working, retired, single, multi-person family units, ranging in age from toddler to honored citizen folk. Let's all make sure we know our neighbors!

Wishing all a healthy, happy new year – a "Sweet 2016"!

Enclosed – 2016 Roster (Please contact Sally Mahedy, Secretary, with changes) and Board position descriptions.
