Allen Robinson  
503.675.3583

## **Summer's here--hot enough for you?**

Hope everyone's coping with our unusually warm Oregon summer – and will be able to join fellow Association members at the annual Potluck. Thursday, August 13, 6 PM – save the date!

Summer IS here – as is the season for outdoor home improvements – painting, repairs, gardening, general puttering around the homestead. A big thanks to the Hitchcocks for their work with Grovers, Shannon Landscaping and the arborists to keep the common grounds well tended. Please do not hesitate to ask Bill or Carole for advice on your pet landscape projects, but do remember that the Association cannot reimburse individuals for work personally undertaken. If in doubt as to whether the project is under the umbrella of common grounds or under the responsibility of the homeowner, please ask. Again, great job, Bill and Carole – thanks!

Thanks to everyone who attended the Annual Meeting in May. To assist in planning next year's meeting, your Board would like your feedback/opinion/recommendations for preferred time/venue. Enclosed is a brief form for you to fill out, letting us know your preferences. We are especially interested in hearing from members who did not attend – how might we accommodate you? Feel free to return the questionnaire to any member of the Board – and we will have a return box at the Potluck if you would like to drop it off there.

Enjoy the summer – don't complain about the warm days – soon enough we'll be wrapped in Gore-Tex – safe days and travels – and see you next month – August 13 – the Potluck. Good food, good folk, good gracious – let's eat!
